9232 M. S. VENKATARAMAIAH,
Range Officer.

OFFICE OF THE RATIONING OFFICER, DAVANGERE.

Notification dated 2nd March 1949.

No. FAC. 23-1—48-49. Sealed Tenders will be received in the office of the Rationing Officer, Davangere from owners of bullock-carts and lorries for the transport of foodgrains and filled up kerosene oil tins from the Reserve Depot to the the Ration Societies and Government Depots (as per schedule printed below) and also for transporting goods, empty gunnies, empty kerosene oil tins, etc., from the Government Depots to Reserve Depot, Davangere up to 4 P.M. on Thursday the 24th March 1949. The contract will be in force from 15th April 1949 to the end of December 1949.

2. Each tender must be accompanied by a cash challan for having credited a sum of Rs. 100 only to the Davangere Taluk Treasury to the Revenue Deposit Account in favour of the undersigned as earnest money which will be refunded in case the tender is not accepted. If the tender is accepted, this amount will be adjusted against the security amount due from him as noted in para 5 below. If after submitting the tender, the tenderer wishes to withdraw it, he shall forfeit the deposit amount.

3. The tender should show the rates at which the bags for foodgrains, filled up kerosene oil tins, etc., will be transported to the several places noted in the schedule from the Reserve Depot and also to the Reserve Depot from the Government Depots. In addition to the transportation the contractor should arrange for loading and unloading, and the stocking of the bags and other articles in a proper manner as per instruc- tions of the official in charge of the Societies or the Govern- ment Depots, by his own agency and at his own cost.

4. The rates to be quoted are for a standard bag of 90 seers having a margin of 10 seers on either side, for a filled up kerosene oil tin of a capacity of 4 gallons and for one hundred tins and gunnies in the case of empty tins and gunnies.

5. The contractor whose tender is accepted should execute a mutchalika on a general stamp paper of annas ten binding himself to the conditions to be stipulated by the undersigned before his Contract is let in and should also furnish a cash security of Rs 500 to this office to ensure due fulfilment of the conditions of the contract.

6. The successful tenderer should arrange for the prompt transportation of the goods to the several places as directed by the official in charge of the Reserve Depot or other Government Depots in the several wards. He should also undertake to provide sufficient number of bullock carts and lorries for the prompt execution of the work entrusted to him.

7. If the contractor gives room for any complaints like pilferage of goods, etc., on the way amount to that extent of such loss to Government will be recovered from the security amount and he will also be held liable for any action that could be taken against him for such malpractices. Should there be any delay in transporting the stocks immediately after they are released from the Reserve Depot and other ward depots the same will be arranged to be conveyed by other means (agency) at the cost of the contractor and he will also be held liable for further damages incurred by the Depart- ment in such circumstances which will be recovered from him.

8. Necessary number of coolies for loading and unloading will have to be provided for bullock carts or lorries by the contractor and he will himself bear such charges. The rates to be quoted should be inclusive of such incidental charges.
